

RAIN®

A TRIBUTE TO THE BEATLES

The award-winning Beatles concert, **RAIN – A Tribute To The Beatles**, makes its debut at MTS Centre on Saturday, June 5, 2010. In a show the *Denver Post* calls “the next best thing to seeing The Beatles,” **RAIN** boasts a repertoire of nearly 200 Beatlemania favorites, ranging from such beloved songs as “Yesterday” and “Hey Jude” to classic hits including “Revolution” and “Come Together.”

RAIN covers the Fab Four from their very first Ed Sullivan Show appearance through the Abbey Road album, through the psychedelic late 60s and their long-haired hippie, hard-rocking rooftop days. **RAIN** is a multi-media, multi-dimensional experience...a fusion of historical footage and hilarious television commercials from the 1960s lights up video screens and live cameras zoom in for close-ups.

For more than two decades, **RAIN** has distinguished itself by focusing on details, always being faithful to The Beatles with the ultimate goal of delivering a perfect note-for-note performance. All the music is performed live, with no pre-recorded tapes or sequences.
